NORTHWIND STUDIO

Spaces that *breathe.*

Studio profile and selected work, 2026

Concept deck by Vividoro. Fictional studio.

A small studio with a long view of the home.

We design houses, interiors and small public buildings around light, material and the people who use them. Eleven designers, one studio, forty projects in fourteen years.

14	40	11	96%

Figures are illustrative for this concept studio.

FEATURED PROJECT

Hillside House

A four-bedroom family home on a slope in Whitefield, stepped into the land so every room opens to the garden.

3,400	2024	Timber
SQ FT	COMPLETED	PRIMARY MATERIAL

SELECTED WORK

Three recent homes.

HOW WE WORK

From first sketch to the last screw.

01 **Listen**
Site visit, brief and budget in one week.

02 **Design**
Concept, models and material samples.

03 **Build**
Site supervision with weekly updates.

WHAT WE OFFER

Four ways to work with us.

01

New homes

From plot to handover.

02

Renovation

Rework a house you already love.

03

Interiors

Rooms, furniture and lighting.

04

Advisory

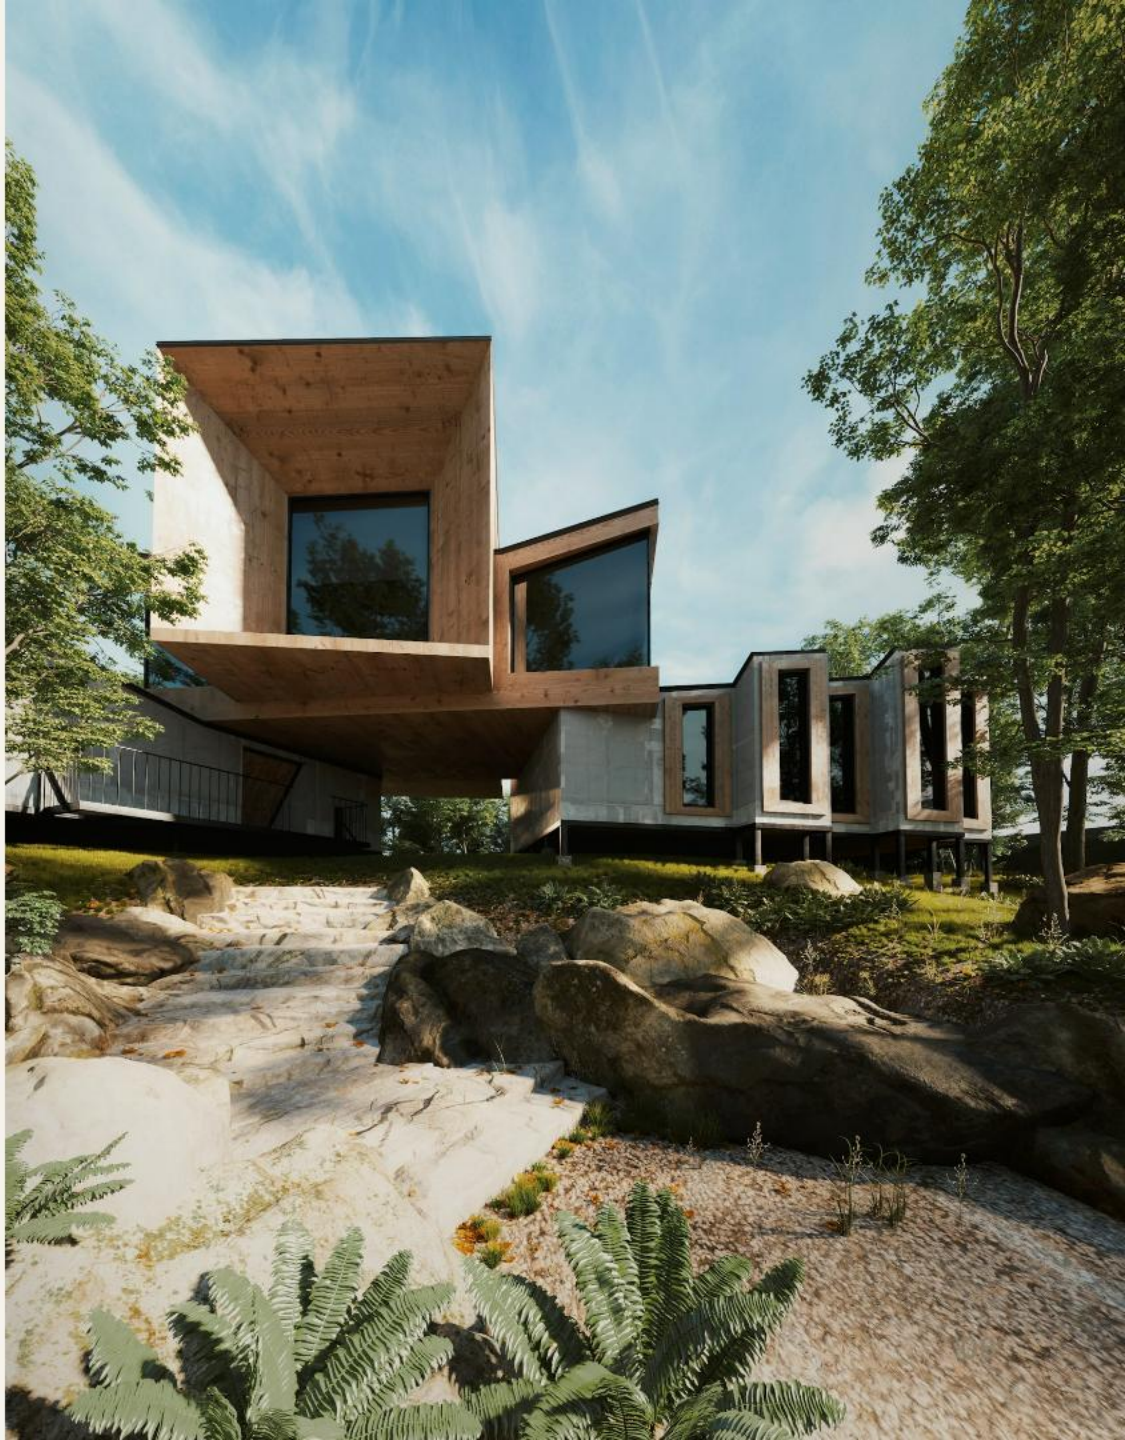

A design review in a day.

“

They listened for a week before drawing a single line.

CLIENT, RIDGE COURT

NORTHWIND STUDIO

Let's build *something calm.*
